

Gate 3 A2 Round 2 — Founder Review Record

Open only after recording independent re-review findings from the companion and unannotated layouts PDF.

This document preserves the complete founder feedback from the 2026-09-11 Round 2 review. No new Figma comments were added.

John Elliott — 2026-09-11

I dont have any additional comments after reviewing.

Exact current-session wording preserved, including spelling and punctuation.

Interpretation boundary

This completes John's review step and authorizes preparation of Claude's bounded re-review packet. It is not explicit A2 low-fidelity approval, final copy or layout approval, authorization for Slice B, roadmap-task completion, or Gate 3 closure.
